

IBPLC: Assessing Real Learning for the Real World

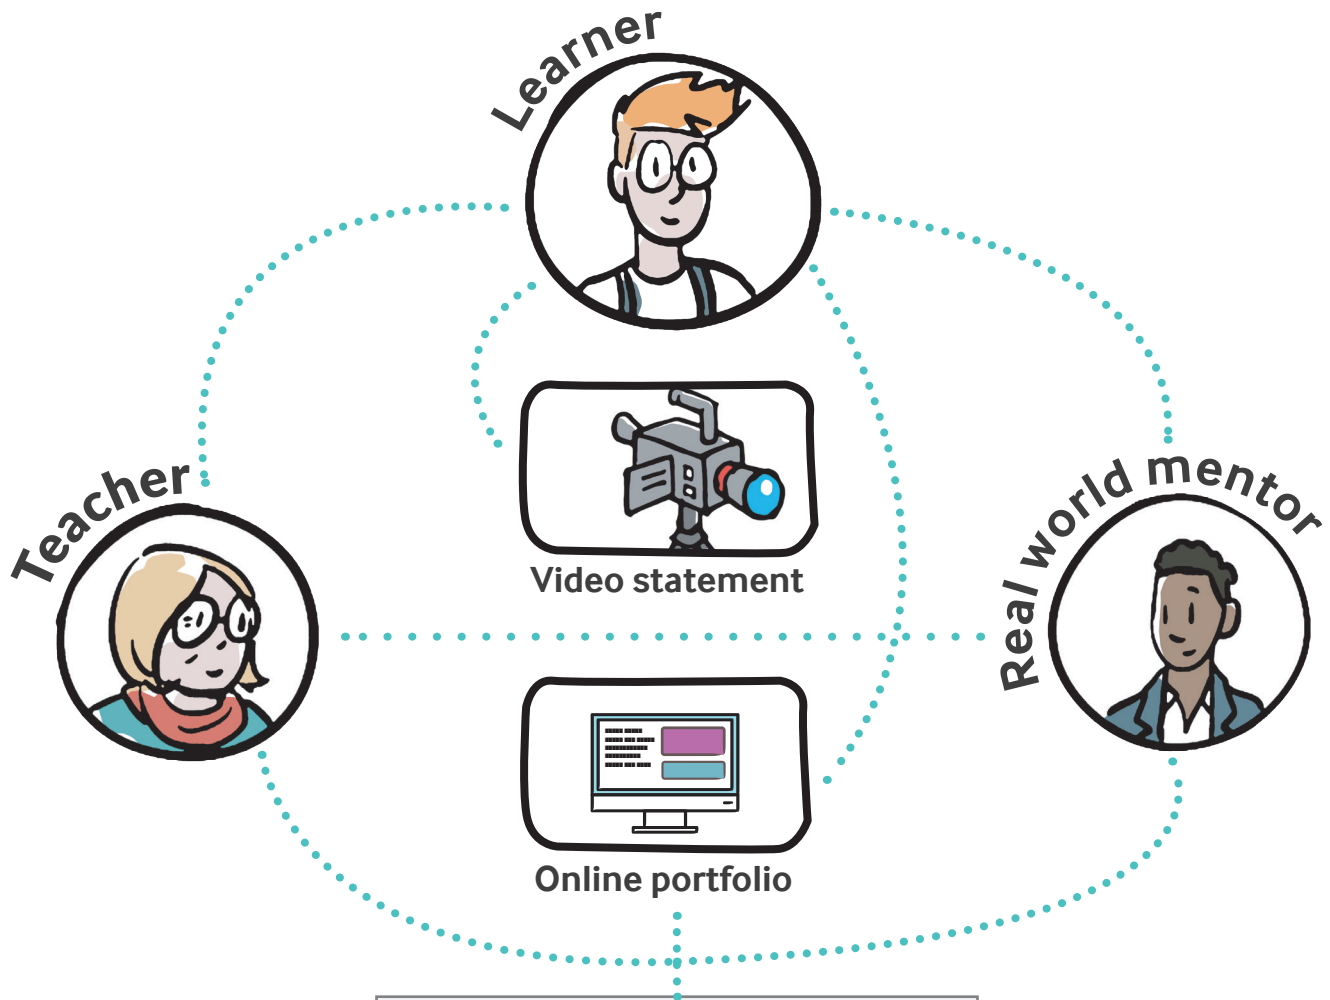

Assessment levels (1-5)

The International Big Picture Learning Credential (IBPLC) reflects the individuality of the student. Rather than being reduced to a number and averaged in comparison to other students, the IBPLC shows the Who, What, How and Why of a student's learning.

IBPLC: Assessing Real Learning for the Real World

Assessment levels (1-5)

Knowing How To Learn

Social Reasoning

Communication

Personal Qualities

Quantitative Reasoning

Empirical Reasoning

The International Big Picture Learning Credential (IBPLC) reflects the individuality of the student. Rather than being reduced to a number and averaged in comparison to other students, the IBPLC shows the Who, What, How and Why of a student's learning.
